Student Code of Conduct

At Rutland Elementary School, we recognize that each child and situation is unique and we will always strive to ensure that our school is a *safe, caring and orderly environment* in which to learn and work. Rutland Elementary School promotes the values expressed in the BC Human Rights Code, respecting the rights of all individuals in accordance with the law – prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, gender or sexual orientation. Behaviour or communication that discriminates based on any of the prohibited grounds listed will be treated seriously by our school. The code of conduct at Rutland Elementary School is based on the following balance of rights and responsibilities.

Misuse of Technology

We recognize that many students often use social media networks, cell phones and other devices to communicate with family and friends. These are helpful communication tools; however, these tools also present inherent risks to the safety and well-being of students if the technology is used inappropriately. If students choose to use social media networks, cell phones, iPods, laptops, tablets or other related technology equipment, they must abide by the school's Code of Conduct and Central Okanagan Public School's policy for *Student Use of Electronic and Social Media Communication (Board Policy 486)*. If at any point, students' use of technology interferes with or distracts from the learning of others, schools may intervene and issue consequences in relation to the outlined school code of conduct and district policy. Schools will also not be held responsible for any items brought to school by students that are misplaced, lost, stolen, or broken.

Inappropriate Behaviours:

Inappropriate behaviour can consist of, but is not limited to:

- *rudeness, swearing*
- *fighting (or play fighting)*
- *lack of respect for others including teasing*
- *throwing objects (rocks, sticks, pine cones, snowballs etc.)*
- *defiant behaviour, insolence*
- *running in the halls*
- *public displays of affection in a romantic or sexual nature*
- *unauthorized leaving of the school grounds*
- *littering*

Forms of unacceptable conduct cited above are only some examples and not an all-inclusive list.

Consequences:

Consequences will be applied in a fair and consistent manner, respecting individual rights, responsibilities, age, and maturity; and will be restorative rather than punitive in nature.

Inappropriate behaviour typically has the following consequences:

- *review of the expectations and a timeout*
- *review of the expectations, written assignment and/or loss of privileges*
- *restorative acts to give back to the school community*
- *parents are notified*
- *meeting with parents*
- *short-term (in school or at home) suspension up to 5 days*
- *long-term suspension (over 5 days) or referral to district program*
- *consultation with police and/or fire department*
- *expulsion*

Students are expected to abide by the school code of conduct when travelling to and from the school. Accordingly, students may be disciplined for violations which occur off of school property and outside of instructional hours if such violations adversely affect students or the operation of any school.

Major Infractions:

Students involved in major infractions (i.e. smoking, fighting, drugs, alcohol, vandalism, overt or repeated defiance) will be dealt with by the administration. Parents will be contacted and informed of the disciplinary procedures. A suspension may occur as a result of a major violation. The RCMP will be contacted if the incident is against the law and an indefinite suspension may result. Such incidents will be dealt with in accordance with School Board Policy and Regulations on Discipline. In a report of something illegal or dangerous, the school reserves the right to search a student, locker, vehicle and belongings.

Safe and Caring School Environments:

Are free from acts of:

- *bullying, cyber-bullying, harassment and marginalization*
- *threat and intimidation*
- *violence in any form*
- *abuse in any form*
- *discrimination in any form including race, colour, gender, religious beliefs, sexual orientation, ancestry or national origin*
- *retribution against a person who has reported incidents*

Do not tolerate the presence of:

- *theft and vandalism*
- *intoxicating or banned substances*
- *weapons or replica (toy) weapons and explosives*
- *intruders or trespassers - All visitors to the school must first report to the office*

Notification

As circumstances warrant, administrators have a responsibility to advise other parties following a behaviour incident:

- *parent of a student exhibiting major behaviours*
- *parent of a student on the receiving end*
- *District staff including Directors, Safe Schools Team Members and Superintendent of Schools*
- *Ministerial agencies and/or School Liaison Officers (Police)*

Rutland Elementary School 's Code of Conduct has been structured to align with and adhere to the standards outlined in:

- *The School Act 85(1.1) 168 (2) (s.1) Provincial Standards Ministerial Order 276/07, effective October 17, 2007*
- *BC Human Rights Code, (SD 23 Policy 450 and Regulation No. 450 - Discrimination Toward and by Students)*

The Nuts and Bolts about RLE

Parent Advisory Council

The Parent Advisory Council (PAC) is the officially recognized voice of the parents at the school level. Every parents or guardian of a child at Rutland Elementary is a member of our PAC. Please contact our executive if you wish to make us aware of something requiring parental input or attention. Our vision is to build community ties and enrich the educational experiences of our children. Meetings are conducted according to the constitution and by-laws of PAC, and the executive is elected by parents annually. The school principal or his/her representative attends the PAC meetings to facilitate consultation between the school and PAC. PAC meetings are held on the second Tuesday of each month at 6:30pm in the Rutland Elementary Library. Refreshments and child minding are always provided. The executive for the current year is as follows:

President: Becky Ingbritson

School Community Learning Plan

In collaboration with staff, school administration, and the community, our school continually strives to improve. Our improvement model is based on an inquiry process, and involves fluid transition through an interconnected framework which incorporates these elements:

1. Scanning – asking what's going on for our learners?
2. Focusing – asking what can we do that will have the greatest impact on their learning?
3. Learning – determining what the school needs to learn to be able to impact student learning
4. Taking Action – applying the new learning in our classrooms / school
5. Checking – determining if what we have done has had the desired outcome

Our Learning Story shows our journey to date. Please find the plan on our school website. We will update it throughout the year. Parents are invited to comment, provide feedback, and input into the direction of our school improvement process.

School Procedures

Accident Insurance

Central Okanagan Public Schools does not insure expenses for student injuries that happen on school grounds or during school activities. It is possible for parents and guardians to voluntarily purchase private accident insurance at a reasonable cost. Optional student accident insurance is underwritten by an independent insurance company. Application forms for this optional student accident insurance can be found at kidsplus.ca

Adventure Playground

All students may use the Adventure Playground at anytime. Students in grades K-3 can use the swings on Mondays, Wednesdays, and Friday, while students in grades 4-5 will be able to use the swings on Tuesdays and Thursdays. Please note that proper footwear is mandatory on the adventure. Flip flops, Crocs and shoes that are not secured to your feet are not permitted as not as safe as a closed toed secured shoe. The following are reminders about the adventure playground; no walking or sitting on top of the monkey bars; one person at a time on swings and no side to side swinging; no running games on the adventure playground; slides are feet first only and rocks are to stay on the ground.

Allergy Awareness Zone

We have a number of students at Rutland who are at ***extreme risk*** due to nuts and nut products as well as kiwis. These students do not have to ingest nuts; they can have a reaction to airborne particles or residue left on surfaces. For the safety of all our students, Rutland is declared an ***ALLERGY AWARE SCHOOL*** and we ask your cooperation by not sending these products to school. This includes but is not limited to peanut butter, granola bars, chocolate bars, trail mixes, etc. Please read labels.

Animals on Property

All animals, even on a leash, are prohibited from school property by District of Kelowna bylaw. Owners that violate the bylaw may be fined \$100 by the Regional District of Kelowna. If you are walking to meet your child and you have dog with you, please plan to meet your child off of school property.

Bus Conduct:

In order to maintain a safe environment on our buses, students must abide by the following expectations. Students will:

- Remain in the area designated as a bus loading zone
- Board or disembark a bus in an orderly manner
- Remain seated in a seat assigned or assumed from the time they board the bus until the time they arrive at the destination
- Use “inside voices” on the bus—no hollering or loud talking
- Refrain from putting their heads or arms out of windows
- Refrain from talking to the bus driver while the bus is in motion
- Do everything possible to keep the bus clean, tidy and neat
- Do not eat or drink on a school bus without the driver’s permission
- Abide by instructions given by the bus driver

Call Home/Safe Arrival Program

This program is in effect to ensure the safe arrival of students at school. Parents are asked to phone the school prior to 8:30 am to report if their child(ren) will be late or absent from school. The phone number is (250) 870-5126. Please leave a message using the automated service or dial zero to speak with someone in the office. At this time, phone numbers that originate from a blocked call are unable to use the automated system. Please enable your caller ID, or speak with the office staff.

Code of Conduct

The code of conduct at RLE is designed to ensure the safety and well-being of all students. All students are expected to abide by the expectations of the school code of conduct to ensure we have a safe and caring school environment.

Cold Weather Guidelines

It is critical that students arrive at school each day prepared for cold weather during our Winter Months. Parents should check the local forecast for up-to-date weather information. Students must be dressed appropriately so that they remain safe and comfortable during the following times:

- Outside playtime before and after school
- Lunchtime playtime
- Recess
- Fire Drills (at all temperatures)
- Bus breakdowns
- Unscheduled and scheduled outside breaks and learning experiences.

We do not have a school or district policy for cold weather procedures. However, the following guidelines are in place at Rutland Elementary.

BELOW FREEZING (-1 Celsius to -15)

Students are expected to go outside. Parents should ensure that their child brings the following items needed to stay warm and comfortable when outside:

- Warm coat
- Gloves/Mittens
- Head/Ear covering
- Boots
- Waterproof snow pants

Students will be expected to go outside for the duration of the forty minute play time providing the wind is calm and the students will be able to stay dry. The Environment Canada website (<http://www.weatheroffice.gc.ca>) will be used to check weather conditions. The same clothing items as noted above should be worn. If the wind starts to pick up and students start to show signs of significant discomfort, the bell will ring early to allow students to come inside to their classroom, computer lab, or library for the remainder of the outside play time. As teachers have a duty free lunch, noon hour supervisors will be responsible for formal supervision.

TEMPERATURE REACHES -16 Celsius

If the temperature reaches minus 16 Celsius, and the grounds are dry and the wind is calm, students will go outside for 15 minutes. After 15 minutes, the bell will ring to allow students to come inside to their classroom, computer lab, or library for the remainder of the outside play time.

TEMPERATURE REACHES -20 Celsius (with windy conditions)

If the temperature reaches minus 20 Celsius, and the wind is blowing at more than 20 km/h, students will stay inside during lunch and recess.

Cell Phones, iPods and Technology Equipment

We recognize that many students often use cell phones and other devices to communicate with family and friends. These are helpful communication tools; however, we do have some concerns regarding the safety and privacy of others. If students choose to bring cell phones, iPods or other technology equipment to school, they must abide by the RLE School Code of Conduct and School District 23 policy for *Student Use of Electronic and Social Media Communication* (Policy 486). We expect students to turn off all phones and devices during instructional time unless the student has permission from a supervising school staff member. Students who choose to bring their own laptop, tablet or similar device to school may do so only under the direct supervision of an adult and in accordance with all school and district policies. The school will also not be held responsible for any items brought to school by students that are misplaced, lost, stolen, or broken.

Dress Code

Decisions regarding student dress require the careful balance of the individual's right to self-expression and the school's responsibility to ensure an appropriate learning environment. Consideration must be given to the health, safety and welfare of the school community.

Although choices regarding student attire rest primarily with the parent and student, the school dress code identifies some standards that should assist these decisions and identify consistent expectations for the school as a learning community.

To that end, we offer the following guidance so that students learn to make good independent decisions regarding their choice of clothing.

- All members of the school community should dress in ways that are appropriate for their particular roles and show respect for themselves, for others, and for the school. As role models, staff should dress in ways that set good examples for students
- All members of the school community are expected to wear clothing appropriate for school including safe, appropriate footwear. Clothing that distracts oneself or others from focusing on teaching and learning is inappropriate. Please consider that the school is a place of work and business and clothing should be reflective of that setting. It is not appropriate or respectful to wear clothing that:
 - Represents or promotes alcohol or drugs
 - Makes sexual reference
 - Uses inappropriate language
 - Depicts or promotes violence, racism, or other discriminations
 - Is intimidating to others; has brand names that relate to profanity

Extra-Curricular Activities

At certain times throughout the year, teachers volunteer their time to run extra-curricular activities for the students of our school. These activities include clubs and sports teams. We appreciate these efforts and the support shown by parents. Notification of these activities will be announced in school and included in our newsletters and websites. Students who sign-up for extra-curricular activities are expected to attend practices regularly in order to build a sense of teamwork, follow-through with commitment and to best represent Rutland at school district events.

Head Lice

Parents of students with head lice are contacted by the school office. After treatment, students are welcome to return to school. Parents, please ensure that the child is 'nit-free' before bringing them back to school. Otherwise, the condition spreads or worsens. When a case of head lice occurs, a letter is sent home to all families in the class to let parents know to check their child for head lice. This letter does NOT contain the name of the student with head lice. Please contact the school, if you discover your child has head lice. Advice regarding prevention and treatment of lice is available from the Health Unit, a doctor/pharmacist or at: <https://www.interiorhealth.ca/YourHealth/SchoolHealth/Pages/default.aspx>

Home/School Communication

We want to do our best to keep you informed of activities and events that occur in and around the school. We will also try to keep you posted on district and community information. We rely heavily on our students to ensure the school notices are delivered home and that response slips or parent notes are returned to the school. The follow methods of communication are used at Rutland:

- Newsletters: published monthly and will contain notes on special events and accomplishments in our school. These are available on our website and are emailed directly to parents. Thanks for taking the time to read them.
- Website (www.rle.sd23.bc.ca): Please check the site often for current information, newsletters and upcoming events. Some teachers also have classroom websites.
- Email: we have the ability to send school-wide emails to our parent population to share latest updates and information. In addition, parents can email teachers and administration using the linked staff directory on the school website.
- SynerVoice: automated callout service from the school to all parents/guardians.
- Formal Report Cards: will be issued in December, March and June.
- Parent/Teacher Conferences: these are scheduled opportunities to discuss your son's/daughter's progress. We encourage parents to call and arrange conferences as needed throughout the year.

Hot Lunch Program

The Rutland Parent Advisory Council sponsors a Hot Lunch Program at our school. Parents prepay for meals which are generally delivered on a weekly basis. Food choices are available for students and these are outlined online at <http://rle.hotlunches.net>. We thank the coordinators and the other volunteers for their hard work in ensuring the success of this program. If you have questions, please contact, rle.pac@sd23.bc.ca.

Library Services

Our library has a collection of materials that is intended to support curriculum needs and to provide enjoyment for pupils. The collection also includes a limited selection of materials of particular interest to parents. Students are encouraged to exchange books frequently.

Lockers and School Property

Lockers are the property of the school and are assigned to the students for school use. Students hold neither expectation of privacy in their lockers nor any other school property. Students leave articles of value in lockers at their own risk. School officials have the authority to search all school property (including lockers) at any time without notice, and to seize any property prohibited by law or school policy.

Lost and Found

Every year many articles are lost at school. It is recommended that nothing be brought to school that is of value or you cannot risk losing. Smaller items such as keys, jewelry and watches are kept at the office. Larger items and clothing are put in our "Lost and Found" bin in the hallway outside the library. Lost and found items are put out on display a number of times over the school year. Unclaimed items are donated to local charity.

Lunch Time Procedures

At the lunch bell (11:15), students go outside to play, weather permitting. At 11:48am, the students come inside to eat their lunch. Students are to remain on school property for the entire school day unless we have permission from the guardian to release them. Students are also expected to demonstrate proper manners while eating and to clean up their eating area before the end of lunch hour. Student supervisors are on the grounds while students play outside and circulate between classrooms while students eat their lunch.

Morning Entrance & Start-up Routines

It is important for students to abide by the following procedures as school begins each day in order to ensure students are safely supervised while on school grounds. The first warning bell will ring at 8:25 am. At this point, students should promptly line-up outside of the building at a designated spot and wait for their teacher/supervisor to let them into the building. Please consider appropriate clothing to deal with changing weather throughout the year. Students are to remain outside during non-instructional time unless part of a planned program. Students are to leave their backpacks in their outside line-ups in the mornings.

School Search & Seizure Policy

Student searches may be made based on reasonable suspicions of a violation of school rules and/or law. The search shall be made pursuant to the reasonableness, under all the circumstances, of the search. The search of the student shall be justified at its inception, based on reasonable suspicion and reasonable scope in light of the age and sex of the student. Contraband and other property unauthorized to be on school property or school sponsored activities will be seized for evidentiary purposes in a school hearing and/or legal hearing. Return of the property may be made to the parents/guardians of the student. Illegal contraband or other property will be turned over to the proper law enforcement.

School Fees

Parents have the option of purchasing school supplies directly from the school. All students are expected to pay a cultural fee which covers the cost of various performances throughout the year. School fees are \$30 for supplies plus \$10 Cultural fee for a total of \$40.00.

Shoes and Gym Strip

Students are asked to bring a separate pair of runners for use within the school. Wearing winter boots throughout the school is not permitted. Indoor shoes will be used in the gym and throughout the school on days when the weather requires students to wear boots. Please ensure that these indoor shoes have non-scuff soles so that they don't mark the floors. Intermediate students are also required to bring appropriate gym strip (short/sweat pants, T-shirts and clean running shoes) for use during their Physical Education classes. During wet weather, it is advisable that all students have an extra T-shirt, pants, and a pair of socks at school in case a change of clothing is required.

Student Health and Medication

If your child suffers from a medical condition that may require emergency action, please ensure the office is aware and all the medical alert planning forms are on record at the school and updated each year. These forms are available at the office. Please do not send medication to school with children unless absolutely necessary. If this situation cannot be avoided, all medication is to be kept in the school office during school hours. Please see the school administrative assistant for proper authorization forms and other information. Please reference the school district's policies regarding medication and medical treatment.

If your child becomes ill at school, he/she should alert a staff member who will then attempt to contact you, or your emergency contact.

Student Pick-up and Drop-off Zones

The RLE parking lot is an extremely busy place at the beginning and end of each school day. We want every student and their families to travel safely to and from school. Year round we endeavor to maintain a safe environment for all. Our parking lot is for staff only and for designated vehicles that have an accessible parking pass. The lane way is closed to all traffic except fire, bus, staff, and vehicles equipped with an accessible parking pass provided by our administration. There are three *Fire Hydrant Zones* surrounding our school. Please note that "no person shall stop, stand or park a vehicle" within 5 meters of a fire hydrant (as per Bylaw 8120 Part 4). The regional district urges motorists to not let their engines idle in school zones. If you see any illegal and/or unsafe traffic incidents, please fill out a "School Traffic Incident Report." Forms can be found on the school website at rle.sd23.bc.ca under the **CONTACT US** tab or at the office. These forms will be forwarded on to the appropriate enforcement agency. We thank parents in advance for their compliance with these safety issues.

Student Telephone Use

Students are permitted to use the school telephone only if circumstances are deemed important and they have permission from their classroom teacher or the office.

Volunteers

There are many opportunities for parents to become involved in the educational process at Rutland. Any of the following areas would benefit from increased parent involvement:

- One-to-one reading programs
- Lunch program
- Field-trip supervisors
- Coaching & extra-curricular clubs
- Classroom helpers
- Living Library

Central Okanagan Public Schools and the RCMP require all adults in the school community who are wishing to volunteer to complete a criminal record check – valid for five years. Along with changes to the form, the process involved with becoming a volunteer was changed in April 2014. The completed forms will be sent by Rutland to be processed. Once approved, the RCMP will send the confirmation TO THE VOLUNTEER. It is the volunteer's responsibility to return this confirmation to Rutland, or the School Board Office, at which time; they will be added to our Volunteer list. NO ONE can volunteer until they have completed this process, and their name has been recorded on the Board Office list. Please contact the office, at 250-870-5126, if you have any questions or if you'd like to confirm if your Criminal Record

check is current. If you are volunteering as a driver, you must complete the driver's volunteer forms (annual) and they must be resubmitted each year when your insurance expires. Drivers require appropriate insurance coverage. Forms and detailed insurance information are available at the school office.

Wheels

Bicycles, scooters, skateboards, rollerblades and other similar equipment may not be used on school property unless a special supervised event is held. Students must walk their bikes and scooters to the racks and lock them securely upon their arrival at school. Students must provide their own locks. Heelies should not be worn at school. Please ensure your child has the necessary safety equipment (i.e. helmet) when riding their wheels.
