

Hello RLE Families,

We are pleased to announce that we have selected a new fundraiser program from Make It Sow, a Canadian company. They supply high-quality garden and flower seeds and greenhouse starter kits. They do not supply GMO seeds and only use germination-tested sources ideal for Canadian climates and stand behind their products with a 100% guaranteed satisfaction.

This is a “great GREEN opportunity” for anyone who is considering planting a vegetable or flower garden (large or small!) to purchase a variety of seeds and support Rutland Elementary PAC at the same time. 50% of the proceeds come back to our school! What an awesome way to raise funds for our Gaga Ball Pit!

Products are bundled according to garden plot types with a wide variety of species within each bundle to make your plots perfect. There are also specialty items available to help you start your very own greenhouse.

The fundraiser will run from Jan. 25, 2022 to Feb. 15, 2022. Attached is a brochure with all the different seeds available, ranging from flowers to vegetables and a seed starter Greenhouse kit.

Interested in gardening or are simply interested in getting a head start on your spring planting supplies, please place your order online at <https://makeitsow.com/shop/#code-submission>

Use the group code: **rutland_elementary_pac_2022** (please copy and paste this code to avoid any errors)

Make It Sow Bonus program will also plant trees on our behalf. For every ten master packages we sell, they will plant one tree in Canada on our behalf.

Now is a good time to tell neighbors, friends and relatives who want to grow flowers or gardens this spring about our new fundraiser. Any of these products make a great gift or donation.

Happy Growing,

RLE PAC
