Principal's Message:

Dear Parents,

This December will most likely look a lot different than in years past but this has been true of our entire Fall, Summer, and Spring.

We honoured Remembrance Day with our entire school signing our national anthem over the P.A. and then students were engaged in valuable learning and conversations within their classrooms lead by their teachers. We are really proud of our teachers and students for the time they took to teach and learn about the importance of Remembrance Day.

A big thank you the RLE PAC for their gracious gift of masks for each staff member to help our educators stay safe. We are so appreciative of your continued support. With the number of daily cases of COVID19 increasing, we are asking parents to consider the following:

- Please continue to wait at a distance (2 meters away) from your child's classroom line up during drop off and pick times
- Please drop off and pick up your children as close to the time of the bell as possible
- We encourage parents to wear masks when dropping off and picking up their children, if they cannot maintain social distancing of 2meters

Staff are working hard to ensure the many layers of protection outlined in the provincial health and safety guidelines are being implemented in their classrooms and school as a whole.

Stay safe, healthy and happy,

Mr. Kirsch & Mrs. Anjos

Cold Weather Reminders

The weather has been getting colder and probably will stay that way for the next few months. Unless the weather is extreme, students are expected to wait outside until the morning bell rings and they are expected to go outside for some fresh air at break and lunch time. Please ensure that your child comes to school dressed appropriately for the weather, warm clothes and gloves for the cold days and boots and rain jackets for the wet days.

Winter Break

School will not be in session from Monday, December 21st through to Friday, January 1st. We are back on Monday, January 4th. Have a wonderful holiday!
