Principal's Message:

Greetings Rutland Roadrunner Families!

This week we would have been heading back to school ready for the Spring Adventures and the excitement that comes with the final term of a school year. Like you, we are all processing how the next steps will unfold. We want you to know that we miss your children. We will miss hearing their stories and seeing their smiling faces. Please know that this week is a planning week for schools as teachers begin working on creating learning experiences for your child. Your child's teacher will be in contact with you through email at some point during the week of March 31-April 3.

We appreciate your patience as we navigate these extraordinary conditions. We will be responsive to the changing landscape and appreciate your understanding as staff design and deliver teaching and learning in new and different ways.

We would encourage you to read School District communications and visit the district web site regularly.

Feel free to reach out and connect with either Gord (gord.kirsch@sd23.bc.ca) or Jessica (jessica.anjos@sd23.bc.ca), if we can be of assistance.

Stay safe. Stay healthy. We are here together😊

Are You Moving?

In order to make accurate plans for next year's school organization, we need your assistance in confirming student enrollment for September.

If you know that your child will not be attending Rutland Elementary School next year, please let the office know.
